Great with people and I am always free to share my passion for the retail industry and an uncompromising commitment to quality and outstanding customer service. Having past experience with computers as I have been building PC's for others and myself, giving me a thorough understanding of computers and what is suitable for a variety of customers and there needs not only in computers but also in other departments of technology with a knowledgeable understanding of other products that your company provides such as laptops, monitors, TV'S, and much more. Which is why I think I am a suitable candidate for employment within this job.
